## ***The Christmas Star***

### **NIÑA/ CHILD**

Estrellita, estrellita,  
**Little star, Little Star**  
Que brillas con tanto ardor,  
**How very bright you are,**  
¿puedes decirme el motivo  
**Can you tell me why**  
De tu radiante fulgor?  
**You shine with splendor in the sky?**

### **ESTRELLA/ STAR**

Estoy anunciando al mundo  
**I am announcing to the world**  
Que Jesucristo nació,  
**That Jesus Christ has come,**  
En un pesebre muy pobre  
**Born in a poor, poor stable**  
Aunque era Hijo de Dios.  
**Although he is God's Son.**

### **NIÑA/ CHILD**

Pero eso fue hace años,  
**But that was many years ago**  
¡Hace más de dos mil ya!  
**Two thousand years its been!**  
¿No estás cansada, entonces,  
**How come you are not tired**  
De tanto y tanto brillar?  
**Of shining brightly to be seen?**

### **ESTRELLA/ STAR**

Sí, estoy cansada,  
**Yes I am so tired now**  
Y mis rayos débiles ya,  
**My rays have weakened some,**  
Pero si no anuncio a cristo,  
**But if I don't announce the Christ**  
Dime ¿Quién, niña lo hará?  
**Pray Child when will the job be done?**

### **NIÑA/ CHILD**

Vete a dormir, estrellita,  
**Go to sleep oh Little star,**  
Yo seguiré tu misión,  
**I'll carry on your vision,**  
anunciando al mundo entero  
**Announcing to the world,**  
Que Jesucristo ha nacido,  
**Christ's birth in me is now my mis-**  
**sion.**  
Pero aquí, en mi corazón.

## ***Youth Camp: Hitting the Mark***

From the 17th to the 19th of November Monte Blanco Camp staff held a camp for Chiquitano youth in the village of EL Púquio. Over 120 youth attended from the various villages in the area. The theme for the camp was "Hitting the Mark" with a focus on integrity. As a result we saw 20 youth accept the Lord and many more reconciling their lives with the Him.

## ***Baptism in Porvenir***

On the 27th of November, 3 new Christians were baptized. They publically declared their decision to accept Christ as their Savior and made the commitment to live a life that would be pleasing to the Lord and a testimony for Christ before others. Afterwards the believers shared a dinner and then celebrated the Lord's Supper with them.

## ***Conference of Indigenous Leaders in Santa Cruz***

On the 16th of September we held the first ever Consultation of Bolivian Indigenous Christian Leaders in Santa Cruz. The conference was sponsored by: ALTECO, Eplabol/LATCOM and Fralic. Ayoré and Chiquitano leaders from various communities attended the Consultation in which they were able to share their most urgent needs and the work that they were doing to reach their own people groups with the Gospel.

## ***Training the Trainers***

From the 20th to the 23rd of October a workshop was held for trainers under the leadership the NETS Project and Marcelo Lazo, coordinator for Harvest Mission, Bolivia. This was the final training under the 2011 program titled "The Church and Its Community." Praise God for the successful workshops and for the Seed projects that were carried out for the benefit of various Chiquitano villages.

### ***One Great Visit***

From December 2nd to the 4th about 200 Ayorés from numerous villages came to Zapocó for an Ayoré Bible Conference. They shared music and testimonies of how God was blessing them in each community. Preaching was done by missionary Charles Ramsey and church leaders from the various villages represented. The Conference finished with the baptism of 21 new believer's who also made a public promises to follow God. The last event was to celebrate the Lord's Supper together.

### ***San Lorenzo, Chiquitano Community***

After the completion of the second phase of church construction on the San Lorenzo church the believers have been meeting in the building on Sunday mornings. At this time they are working to get the building hooked up to the electricity so they can hold evening services as well. The church is praying for the needed funds to finish the construction.

### ***Graduation***

On November 4th our brother Erwin Garcia and his wife Graciela graduated from the Hebron Bible Seminary. They both have the desire to return and work in the Chiquitano churches of the Lomerio.

### ***Youth Workshop***

The youth training workshop called Leadership and Teamwork was held at the new church in San Lorenzo for youth from various communities from throughout the Lomerio. This workshop was sponsored by the NETS Project and conducted by Pablo Chuvé, LATCOM national missionary, and a missionary with IMB mission. The final activity was a social gathering of youth in the community of El Púquio.

### ***Chickens and Gardens***

Under the direction of Ag. Engineer, William Vaca, and NETS Project, a small poultry development project was launched with those leaders who had completed the required training. Also, 3 family vegetable gardens were started that will benefit the Chiquitano communities of: Coloradillo, El Púquio, Monterito y San Antonio.

### ***Project 3VS***

One year ago we launched the 3VS Project which entailed giving four Chiquitano leaders from four different communities, three cows each. The purpose was to help them form an economic income base which would enable them to dedicate more time to the ministry. It has been successful and the leaders are very happy and excited with this opportunity. We are praying that we can institute the same project in Zapocó among the Ayoré people.

### ***Ecuador Trip***

National missionary, Pablo Chuvé, traveled to Ecuador November 13th to 20th to attend a strategic planning session of the Trans Amazon Committee under ALTECO mission. The purpose of the trip was to develop ideas and strategies that would bring the Spanish speaking churches together with the indigenous churches. The leadership was challenged to unite their efforts in the goal of evangelizing the ethnic groups of the amazon Basin.

### ***Vacation Bible Schools 2011***

In the month of September we held VBS programs in six communities: Monterito, Palmira, El Púquio, Coloradillo, Zapocó y Porvenir. This year's theme centered around the book of Daniel. We saw 367 children from first through sixth grades attend the various programs. Teams of believers were formed from each community and local church, and then trained in how to run the VBS programs, keeping the local leaders involved with the children from their own villages.

### ***Donation of Construction Materials***

The Light of Christ church in the community of Coloradillo was the beneficiary of 102 sheets of roofing material to help them in the construction of an extension to their church. At the same time the church was donated 500 colonial tiles for the reroofing of the existing building. The believers are really on fire and have a tremendous desire to expand their small church to accommodate the new members and many visitors arriving these days.
